

Oklahoma City
UNIVERSITY

Dear OCU parent(s),

The end of the Fall 2016 semester will soon be upon us, with FINAL EXAMS lurking. As your sons and daughters frantically prepare for a rigorous week of tests, they need your support more than ever. A great way to show them support is to send them a Tri Beta Care Package.

Each year *Alpha* chapter sponsors the “Care Package” fund-raiser at the end of each Fall semester. Due to tremendous support from parents, our care package program has become a huge success and we are happy to announce that TriBeta will be sponsoring the Care Packages again for OCU’s hard-working science and math students.

What is a **Care Package** exactly? It is a package filled with an assortment of goodies that is made for your son or daughter for only **\$20.00**. The package includes treats such as cookies, candy, hot cocoa mix, granola bars, crackers, chips, fruit snacks, candy bars, gum, and other cool stuff. Additionally, you can choose to purchase a gift card valid at several of the vendors surrounding OCU.

With the care package, you also have an option of sending a **personal message** to your son or daughter by enclosing the message or card in a separate envelope sent along with your payment. We will deliver the Care Packages and messages during the last few days of this semester’s classes – right before Finals Week begins.

If you wish to join us in spreading joy during stress-filled times, please send **\$20.00** (cash or a check or money order payable to **Tri Beta**; mail it with the form below by **Wednesday, November 30, 2016**. Additionally, you can purchase a care package online with credit card at our website (www.okcutribeta.weebly.com).
